وصف:

Located in the Urbanization of Bela Vista, this T3 + 1 is on a second floor without elevator.

Located in a very quiet and familiar building.

The kitchen that although it needs a refurbishment has space to be able to create a fantastic space, with a pass-plates with large grills, an adjacent storage room and a balcony that you can transform into a laundry space.

The living dining room also has very generous areas and a balcony.

A bathroom with bathtub, and three bedrooms without wardrobes, but with enough area to be able to install them, one of the bedrooms is en suite.

All rooms have enough luminosity.

On the level of the 3rd floor, belonging to this apartment has a T0 that was recently created, requiring only a cleaning and painting and a storage room.

The apartment needs refurbishment works, but the great areas provide conditions to give wings to your imagination and turn this apartment into the space that your family needs. Excellent business opportunity
