Stone Villas

a home between the green of the forest and the blue of the sea

Five minutes to the sea, in Località Cala Sinzias in Sardinia, we offer various villas with pool between the green of the forest and the blue of the sea.

Stone Villas are located in a new residential area on a large stone shield, where nature reigns and offers visions of primordial landscapes from suggestive close-ups of bare stone.

Just five minutes to the sea, in Località Cala Sinzias in Castiadas - Sardinia, Stone Villas are splendid residences, finished with quality materials, conceived for integration in the natural environment that surrounds them.

Built according to the needs of the buyers, the villas will anyway have a common inspiration: the large

patio, which dominates the landscape, will be the most lived-in space and an integral part of everyday life.
