وصف:

This house in the countryside is located only 14 minutes drive from Fuensanta, in the Jaen province of Andalusia, Spain. You can park outside the house or an entrance could be made under the foliage covered area at the front. Enter the front door and into the nicely decorated living room with a fireplace. This leads into the Spanish style kitchen and next to that is the bathroom with a shower, toilet and wash hand basin. From the living room, the stairs lead up to the three good sized bedrooms and an utility area where there is a washing machine. The master bedroom has a dressing area within it. The back of the house can be accessed by a separate door at the front of the house which opens into a corridor that leads to a store room and from there a door to a small roofed area and further on to the sloping garden with the one large olive tree in the middle. From here there are great views over the top of the house to the mountains, trim the tree and make a patio for more of those mountain views. A few hundred yards down the road is a semi-fenced plot with irrigation of around 650m2.
