## ABOUT THE AREA

Cebu is a province of the Philippines, in the country's Central Visayas region, comprising Cebu Island and more than 150 smaller surrounding islands and islets. Its prosperous port capital, Cebu City, retains landmarks from its 16th-century Spanish colonial past, including the Basilica Minore del Santo Niño church and triangular Fort San Pedro. Tops, an observation deck on Mt. Busay, has sweeping views over the city.

Cebu is the hub around which the Visayas revolve. It is the most densely populated island in the Philippines and is second only to Luzon in its strategic and economic importance to the country. This is one of the most prosperous regions in the country – the 2016 growth rate was 8.8%, considerably higher than the national average. Tourism numbers are booming, Cebu draws almost two million foreign travellers a year. The island's prime attractions are its white-sand beaches and spectacular diving, chiefly off the northern tip of Cebu at Malapascua and down on the southwest coast at Moalboal. And don't ignore much-maligned Cebu City, which has lively bars, emerging eateries and burgeoning retail appeal.
