studio, this building offers versatile living spaces that cater to a range of client preferences. Additionally, provisions for oil central heating ensures the year-round comfort of residents, enhancing the building's desirability.

The ground floor apartment has an open-plan living, dining, and kitchen area. A guest toilet on this level adds a practical touch. The upper level houses three bedrooms and a shared shower for the convenience of occupants.

The front and rear verandas offer spaces for relaxation and outdoor dining. The back of the property features a dedicated BBQ area, perfect for hosting gatherings.

The first-floor apartment mirrors the layout of the ground floor with the addition of an en-suite bathroom in the master bedroom. Parking is made easy with two dedicated spaces, a valuable feature for residents in a prime location such as this.

Thanks to its desirable location, this residential building represents an outstanding investment opportunity.

Final certificate of approval to be issued.
