وصف:

Building land south Royan Meschers, approximately seven hundred and thirty-eight square meters, reasonable price for the 'Charentaise' coast, servicing at the edge of the land. This land is located in -Meschers, not far from the beaches of the Royan coast. A beautiful space of seven hundred and thirty eight m2 which will be suitable for building a second home as well as for a house inhabited all year round, by first-time buyers or retirees. Meschers is a small, friendly village, with its five beaches which has all the shops and Royan is ten minutes away. This will be suitable for a land + new house project at a price within current standards, which will take you away from the worries of purchasing a house already built with numerous works and often at a much higher price. Think about it !
