وصف:

Who needs lots of objects and furniture when you have a breathtaking view of a paradise beach? The North Sea house is a residence with large glazed sliding doors that join the living to the gourmet space facing the sea. But the positives do not stop there, inserted in a condominium with 24h security, in a quiet area with a lot of natural beauty the beach is extension of the gourmet area, being able to also enjoy a sea bath during your fraternization with family and friends. It has plenty of natural light, besides being well-lit at night, which gives an extra charm to the abode.

It has 5 bedrooms, being a master suite, video room, large and equipped kitchen, dining room, living room, gourmet area, swimming pool, garden and garage for 2 cars. - REF: BRA02
