for rent is a complete house with garden, a terrace, a big basement. The house features three sleeping rooms of 12, 14 and ca 20 square meters. A roomy living room, an extra room to eat next to the kitchen that I did not upload a pic of, a hallway, two bathrooms and a guest toilet. There is a basement underneath the whole house. All in all the space available is between 250 and 300 square meters. Plus a garden and parking space etc. The interior is in the process of being renewed. so the living room is empty on the pics but will feature furniture. Kitchen is freshly redone. Further works in the bathrooms are in the planning.

It will be modernized and will look different than on the pics. Location is a very quiet little street. Shopping facilities in walking distance. Center of town about 35 to 45 minutes with public transport. Any questions - get in touch.
