Property in very good condition in a nice neighbourhood and gives you
a beautiful view.

This house is quite special. Not big by Hungarian standards. Neither
the house nor the garden, but spacious enough for and couple, as a
holiday home, for rental or as an investment.

The house offers you living room, bedroom, kitchen and bathroom. The
bedroom is large enough to split into two reasonable bedrooms.

The house was renovated in 2018 and at that time the roof was replaced
and the windows and doors were fitted with plastic.

The plot is 322 m². A good size for a house in a residential area,
small by Hungarian standards, but with the advantage of low
maintenance.

Electricity and water are available. Gas can be connected from the
street. For drainage there is a connection to the sewerage system. The
house is centrally heated. Connecting internet and/or telephone is no
problem.

The house is in a nice neighbourhood with several houses, all located
at the end of the village. View is a real panoramic. Acceptance
immediately.

Mecseknádasd is located in a valley that leads to Bonyhád, against the
foothills of the Mecsek Mountains. The nearest smaller towns are
Pécsvárad (10 km) and Bonyhád. West of Mecseknádasd is the wooded and
protected area of East Mecsek. Viticulture has traditionally taken
