In the heart of Cannaregio, enveloped by Venice's magic, there is this elegant apartment for sale a step away from the Grand Canal. Located on the last two levels of a 16th-century Venetian Moorish palace, this 310-sqm apartment has been elegantly renovated, preserving the huge historical charm of its marbles, ancient woods and Murano chandeliers, alongside fitting the property with the latest technologies. At the entrance of this magnificent property, a corridor leads to a spacious living room with ceilings up to 6.20 meters high, and an original 16th-century fireplace; there are then a big dining room with a coffered ceiling, a custom-made, a spare bathroom, and an office. A big staircase leads to the upper floor, home to a sleeping area consisting of a splendid master bedroom with a large walk-in closet and en-suite bathroom, two double bedrooms served by a bathroom, and a single bedroom. There are also two convenient storage rooms and a big attic area. The central location of this historical building, just five minutes from the main train station and fifteen from the airport, make it a unique estate in the heart of the most authentic Venice.
