on the first floor equipped with its attic, provided on the basement floor with rooms for warehouse use, as well as storage cellar and toilet.

Externally, the property covers about 3400 square meters, one part of which is intended for olive grove and another on which insist ancillary rooms for about 100 square meters.

The layout of the property allows a division of space suitable for multiple uses. In particular, the volumes in the basement can be used as a warehouse or intended for commercial / craft use, being equipped with private entrance and large parking lot.

Some portions of the block need renovation work.
