The land is of about 8,800 square meters, mainly flat, with approx. 25 olive trees, even secular ones, almond, fig and pear trees perfectly in production.

The approved consists of a 3-double bedroom and 3-bathroom villas, including a 64 sq m swimming pool. By presenting a modification of the project, it is possible to create a veranda/conservatory for a further 50 sq m.

Key ready project available for €600,000 negotiable.

Additionally, a nearby lot of land is available for sale measuring 1,2 hectares (3 acres) where it would be possible to build a 120 sq m villa with pool or adding further footprint to the existing project.

The access to the property is through a paved road a few meters from the main road.
