Discover a 1 bedroom apartment in Sunut Lombok. This spacious living arrangement boasts separate areas for the living room and bedroom, with a bathroom and kitchen connected to the living space.

The One Bedroom apartment is tailored for couples, two friends, or solo travellers.

The entire balcony will be adorned with greenery from integrated flower pots. Complemented by stone walls, wooden ceilings, and railings, the balcony offers a unique atmosphere with a sea view, especially during sunset or sunrise.

All our apartments come with a generous balcony featuring captivating views, while ground floor units offer the added option of a garden and access to a swimming pool facility.

Large glass windows in all apartments ensure that both bedrooms and living rooms capture the charm of the balcony and the lush greenery outside. Our garden architect will curate plants seamlessly blending into the resort's overarching concept. Once you experience it, you won't want to leave this place.

Our apartments not only boast incredible construction and design but also offer breathtaking views of nature.
