وصف:

In our real estate offer, we have an exclusive selection of pavilions belonging to the same registered property, available to meet various business or storage needs. These pavilions come in a variety of sizes, offering flexibility to suit specific space requirements, with the ability to rent exactly the square footage needed for your business.

With an approximate price of just 6 per square metre, these pavilions represent an economic and versatile opportunity for companies looking to expand, startups looking for their first physical space or businesses in need of additional storage. The flexibility in renting per square metre allows for a tailor-made solution, ensuring that you only pay for the space you actually need, thus optimising your investment.

These pavilions are situated in a convenient location, facilitating access and logistics, which is essential for efficient commercial and warehousing operations. The offer ranges from more compact spaces to large warehouses, all within the same registered property, which guarantees cohesion and ease of management for tenants.

This is an excellent opportunity to secure an adaptable and affordable space, ideal for driving the growth and efficiency of your business. We invite interested parties to explore the possibilities that these pavilions can offer their company, ensuring a solution that aligns perfectly with their business objectives
