وصف:

Sea view villa surrounded by olive groves in the hills of Calabria.

Panoramic villa situated in the hills of Calabria with stunning view, on one side of the Tyrrhenian Sea, and behind of the mountains of the Pollino National Park, which frame it in a fascinating naturalistic picture.

The villa is circa 5 km from the beaches of Belvedere Marittimo. Belvedere Marittimo is a medieval village overlooking the Tyrrhenian Sea, about 200 meters above sea level along the beautiful Riviera dei Cedri in the Calabria region of southern Italy, The town is made of two separate urbanized areas also called "paese" and "marina".

The first is what is left of the original medieval town, the second was developed in more recent decades and it now represents the center of Belvedere Marittimo's commercial and touristic services. Its territory covers a stretch of the Tyrrhenian coast. It's a town protected by the heights of the Pollino Mountains, rich in history and charm and identified as the city of love of Calabria.
