On the Mediterranean coast, the quality of the space outside is as important as what is on the inside, so we have taken great care, time, and effort to ensure that the communal areas are well designed, spacious, and secure.

All apartments face the sea and gardens that are beautifully landscaped.

An inviting 25m heated pool sits adjacent to a well-appointed sun deck with comfortable loungers and an inviting covered terrace and kitchen area with BBQ facilities and ample seating and lounge areas.

Owners of a private residence in Ocean View further benefit from access to the adjacent sports club with gym, tennis and padel courts, 9-holes par 3 golf course and restaurant (included in condominium fees.
