Imagine waking up every morning and having a fully equipped gym at your disposal, where you can keep up your exercise routine without having to leave your home. In addition, for those who wish to relax after a hard day, the residential complex features a spa, offering an oasis of tranquillity. The garden area, designed in collaboration with the "Asociación de Amigos del Parque Botánico de Malaga", managed to create a captivating atmosphere that combines sustainability and maintenance, while at the same time endowing the building with a series of visual oases.

Each of the residences has been meticulously designed to offer an unparalleled wellness experience. Contemplate the beauty of the coastal environment from the comfort of your own home. Discover your new home and be captivated by the exceptional qualities and attention to detail. The open spaces create a perfect harmony between the living room, dining room, kitchen and terrace, ideal for entertaining guests or enjoying quality time with your loved ones. Large picture windows flood the interiors with natural light, creating a warm and welcoming atmosphere. Large-format porcelain floors, underfloor heating throughout the property, as well as kitchens and bathrooms with top-of-the-range fittings are some of the materials that distinguish the carefully planned development.
