وصف:

This is THE perfect location in Merida Centro for a hotel. It has all of the infrastructure in place. It has a huge parking area more than 40 cars built structurally to support a pool on the second floor and for a third floor to be expanded. It has an elevator offices bathrooms and a corner location view second to none.

This property also comes with the option to be torn completely down if the new owners wanted. This is a unique option in Merida Centro. The property is next to and overlooks the Santiago Park Church and market.

With 4104 square meters 44 175 square feet of construction and 2 861 square meters 30 795 square feet a full sized hotel could be built. It is located 3 blocks from the Zocalo

The property also has a beautiful Colonial home that has been totally renovated that would be a perfect meeting room. This is an amazing investment opportunity.
