وصف:

Mayens de Riddes in a very quiet and natural environment, located close to a bus stop, magnificent property for sale.

Surrounded by nature, on this plot of 1240m2 there is a beautiful 4 bedroom chalet built in 2001 and renovated in 2018, with a living area of 220 square meters.

The plot could be divided to build another chalet.

The main entrance leads to a spacious living room with a fireplace, a fitted kitchen and a dining area. A large balcony surrounds the entire building and numerous windows and French doors provide plenty of light. A bathroom completes this level.

The first floor houses the master bedroom with its spacious private bathroom and a small mezzanine.

On the ground floor there are three beautiful bedrooms with French windows, a shower room with bath, a laundry room and a cellar.

The view over the Rhone valley and the Iserables hillside is very beautiful, the view is unobstructed and the chalet benefits from excellent sunshine all day long.
