وصف:

Rustic Land with Carob and Almond Trees - 4860 m² of Nature and Potential

We present a rustic plot of land with 4860 square meters, offering a unique combination of flat areas, punctuated by beautiful carob and almond trees. This plot, situated in a quiet region, is perfect for those looking to earn income from rainfed trees (carob trees) or invest in agriculture, vineyards or beekeeping.

Terrain Features:

Large and Diversified Area: With 4860 m², this land has space for several projects. The terrain is flat and so is ideal for construction or farming.

Natural Vegetation: The land has carob and almond trees, characteristic trees of the region, which add charm and value to the space.

Quiet Location: Situated in a rustic area, the grounds offer peace and tranquility while also being within walking distance of essential services and main thoroughfares.

Possibilities of Use:

Agriculture, Beekeeping and Arboriculture: The almond and carob trees present on the land are a valuable resource for those who want to invest in natural and sustainable products. Ideal for placing bee hives, as there is a lot of natural vegetation, including a lot of rosemary. Flat terrain is perfect for planting crops or raising animals.

Additional Advantages:

Easy and Convenient Access: The land is easily accessible by local roads, ensuring practicality for travel.

Investment Opportunity: With the growing demand for rustic properties and land with agricultural or residential potential, this land is an excellent opportunity to invest in an asset with a guaranteed return.

Come and see it!

If you are looking for a rustic plot of land with 7,840 square meters, full of potential and nature, this is your chance. Please contact us for more information and to schedule a site visit. We look forward to helping you turn this space into your next big project or investment.
