Unique opportunity to acquire an urban plot in one of the best areas of Petrer!

A plot of 800 m² for sale located in the prestigious area of Avenida de la Molineta, Salinetas, Petrer. This plot has the advantage of being able to be divided into two plots of 400 m² each, which provides multiple development options.

With a buildable volume of 370 m², this plot is perfect for building your dream home or investing in a real estate project. In addition, it has all the necessary facilities, including electricity, water and telecommunications.

The plot is located in one of the best areas of Petrer, very close to the village, which guarantees comfort and easy access to all essential services. In addition, it has an excellent orientation that ensures great luminosity and a strategic location.

The property includes a common area with a main entrance door and a recessed street, offering privacy and security. Likewise, a geotechnical report has been carried out, ensuring the viability and quality of the land.
