وصف:

At a distance of 5 m walk from a great diversity of beaches and 2 m walk from the village center. Reception with fitness center.

A set of tourist apartments, with private pools, in a private condominium with services and a central core with gardens and leisure spaces inserted in a plot of about 3 hectares, in the historic heart of the village of Porto Covo.

This project benefits from the privacy, security and services of a gated community, with interesting return possibilities through the Pestana tourist exploration and with strong potential for valorization.
