This semi-detached villa is part of a communal complex but also has a private plot with a pool and access to the communal pool. Access is from the communal parking area to the front door which opens into a spacious open-plan lounge and dining area featuring a log burner and storage cupboard. The American-style kitchen is fully equipped and conveniently located adjacent to the living space. On the same level is the master bedroom complete with an en-suite bathroom. The kitchen doors open to a covered naya and a generously sized pool terrace with open views, a BBQ area, and a gate leading to the communal pool area. A few steps down from the pool terrace, is a utility and storage room. Upstairs from the lounge, there are two double bedrooms, each with access to a terrace. This level also includes a bathroom with a Jacuzzi bath. The well maintained villa at close distance to Moraira town has fitted wardrobes in all bedrooms, central heating, air-conditioning and ceiling fans.
