Its imposing façade, the balance of its forms, the garden inside and the enormous terrace of the homes make this residential a beautiful architectural reference in the Mediterranean.

You will be able to enjoy green areas for strolling and sunbathing. The communal areas include a large indoor heated swimming pool, a chill out area on the roof terrace, as well as a sports area to enjoy outdoor exercise, a gym, a children's play area and a large outdoor swimming pool together with a smaller one for children and a gourmet room. And because we know you'll love cycling in the area, we've set aside space for bike storage.

Residents will enjoy a premium residential development that is fully accessible for people with reduced mobility and with the guarantee of living in an area protected by private security.

Just 1000 m from the beach and a short drive from shopping centres, famous golf courses, restaurants with exquisite gastronomy and major cities such as Alicante and Murcia just 1 hour away. And all this in a climate with 300 days of sunshine a year and almost 20°C average annual temperature. The perfect place for your holidays or to establish your permanent residence.
