وصف:

This is one of those ancient Saint-Vaast residences which are intriguing, it is an unusual design of architecture in the region, full of history. Who and why such a dwelling here? If we don't have all the answers, one thing is certain, it is that the current owners have managed to make it comfortable, while maintaining its authenticity.

On 1449m2 of land area, the current layout offers a little more than 240m2 of living space and includes, among other things, a double room, a living room, a kitchen, 5 large bedrooms; the attic, with a surface area of 70m2, could accommodate many more. Beautiful clarity of living rooms and beautiful volumes.

Its paved courtyard sets it back from the street, in a quiet area.

As for its garden at the back, it is enclosed by walls and has access to the street, which makes it possible to create parking spaces in the private part.

Lovers of beautiful properties, come and see for yourself the charm and character of this residence; we are at your disposal to help you discover it.

The department of Manche is in Lower Normandy and is bordered with Calvados, Orne, Mayenne and Ille-et-Vilaine. The English Channel in the west, north and north-west coastlines makes getting here to its many ports very easy from the UK. There is also an airport in Caen and many others are easily accessible in the surrounding regions such as Rennes airport.

History is all over the department through its museums and heritage, discovering the local traditions and culture as well as Chateaux, religious monuments, water mills, maritime sites and gardens is easy to do. The biggest 'must-do' is a visit to Mont Saint Michel.

Tourism plays a major role in the economy of the department which is fine because there is so much to see and do.
