وصف:

ANAM TULUM Residencial Anam is a project that consists of 18 low density single family lots located on a 12 390 square meter plot of land. This development focuses on prioritizing nature and elegance characteristics that have defined Tulum since its beginnings. It is important to note that the general plan will affect less than 5% of the total land which underlines the commitment to preserving the natural environment. The residential is currently under development and is expected to offer the following facilities Strategic Location Just 15 minutes from the hotel zone of Tulum which provides access to the beaches and attractions in the area. Covered Terrace A covered outdoor space where residents can relax and socialize. Underground Light The electrical infrastructure is located underground which improves the aesthetics and safety of the place. Jogging Track Ideal for those who enjoy being active outdoors. Club House A common space where residents can enjoy various amenities and activities. Pool A pool to cool off and relax. Grill Ideal for barbecues and outdoor meals. Residencial Anam seeks to offer a quiet and elegant lifestyle in harmony with the nature of Tulum with easy access to the area's attractions and a variety of amenities for the enjoyment of its residents. SERVICES Electricity Public lighting SPACES Dining room Suite Garden Living room Terrace ADDITIONAL Suitable for pets Professional suitable Public lighting
