### PROJECT CONCEPT:

Inspired by its location, a central component of the modern lifestyles of the new generation, a convenient new home awaits at the epicentre of popular thoroughfares. The interior of the development has been designed to continue the experience of connectivity, unifying the architecture, landscape and interior design, with the use of minimalist vertical lines and juxtaposition with the feeling of being truly close to nature. The "See Through Nature" aspect of the "Modern Continuity" creative concept is reflected by every element of the building's design for a fully satisfying
