وصف:

Garda Haus offers a beautiful villa under construction in Manerba del Garda, characterized by an open lake view. The property, of about 270 commercial square meters, is situated on a 2,000-square-meter lot and high-quality materials will be used.

Upon entering, we are greeted by a spacious and bright living area, enhanced by the large French doors that offer a view of the pool, creating a truly relaxing atmosphere. The villa includes a spacious and livable kitchen. The sleeping area consists of two large and bright double bedrooms, a large single bedroom, two spacious bathrooms and a relaxation and wellness area, ideal for spending moments of true relaxation with family and friends. Separately, there is a convenient laundry room.

Completing the villa is a double garage of 36 sqm, as well as a space outside the garage that can accommodate two more cars. The property is enriched by a wonderful swimming pool of 10x4 meters, surrounded by a garden of about 1600 sqm, finely planted with olive trees.

This villa represents a perfect combination of elegance, comfort and contact with nature, making it an ideal home for those seeking an exclusive retreat on Lake Garda.
