In a privileged environment in the heart of the Valderejo natural park, this wonderful agrotourism is for sale. It is a mixed-use rural building where they combine a large restaurant on the ground floor with a dining room with capacity for up to 80 diners and a bar area with two toilets, a large equipped kitchen, an office and the warehouse.

On the upper floor there is a large living area with access to the outside and six large bedrooms with their respective bathrooms. Next to this wonder is a private house with an independent entrance distributed on the ground floor a hall and a multipurpose room, the upper floor has three bedrooms, a bathroom, a laundry, and a wardrobe and passage to the farmhouse.

Below deck there is an open space with a covered outdoor terrace.

It is the only access to the park with a vehicle, so it is a reference for hikers who go to the Valderejo Natural Park where they can rest and regain strength after walking its trails and carrying out their activities.

It is a great opportunity to acquire this special building that has a long history and an established clientele.
