COUNTRY HOUSE TO BE REFORMED WITH A LOT OF LAND IN PARTIDA LA HOYA!!!

Smart Properties is pleased to present this country house with a 45,000 m2 plot, where we find a variety of fruit trees, olive trees, lemon trees and much more.

The house is to be renovated, outside we have an outdoor kitchen with a wood-burning oven and fireplace and a pantry, a good-sized storage room to store things, a fairly large porch ideal for sitting and relaxing in the fresh air, and where we can also enjoy of the meals of the day while we enjoy the views of the countryside. Entering the house we find a kitchen, living room, three double bedrooms with high ceilings, a full bathroom with toilet and bathtub.

We have plenty of parking space on the plot but we also have two garages that we can use as a workshop, or something else. The house has electricity and running water and irrigation water, shops are not far away.

INVESTMENT!! The house is to be reformed, but after the reform it will remain beautiful and it is ideal for people who have animals and who like agriculture. It is a good opportunity to have your country house in a quiet place and not far from Elche, Santa Pola.

Do not wait and contact us to go and see the potential that the house offers!
