This four bedroom, three bathroom villa, built on a plot of over 3000m², sits proudly in an elevated yet private position on the North side of La Manga Club. Enter the plot via an elevated driveway which provides access to the entrance of the home, via the carved wooden front door, rescued from an old Spanish finca, or through the garage. On the ground floor there is a cloakroom, 2 double bedrooms with ensuite bathrooms, a further bedroom currently used as an office, a renovated kitchen with a walk in pantry and a separate utility room. From the kitchen, you have access to a side patio, perfect for enjoying a morning coffee surrounded by the large garden with pine trees and newly planted fruit trees. The lounge, dining room and two of the bedrooms have patio doors to a bbq terrace, which leads directly to the pool and terrace. One of the poolside bedrooms has wall-to-wall fitted wardrobes and an en suite bathroom. One bedroom is currently used as an office but may also be converted to a bedroom. The third bedroom is double with ensuite bathroom. The elegant spiral staircase leads up to a large master suite with dressing room and ensuite bathroom, the
