وصف:

Tucked neatly into the quiet McNamara hillside above Road Town, this versatile property really is a hidden gem situated on 0.4acre and surrounded by greenery just minutes from town.

Currently set up to offer a spacious 3 bed 2 bath home on the upper floor with charming self-contained courtyard to the rear housing a swimming pool. The home is light and bright with covered balconies to the front looking down over Road Town harbour and e entertaining space to the rear.

There are two additional compact studio apartments on the lower level offering rental income or flexible accommodation.

The property is currently rented out but would make a wonderful family home or great investment property.
