وصف:	

We present an excellent rustic plot with an area of 4,480m², located in Alecrineira, Quelfes.

Access is via a dirt road. This plot of land, with several fruit areas, is perfect for those wishing to invest in an agricultural project.

With magnificent views over the surrounding countryside, the land includes a variety of fruit trees, such as carob and olive trees.

The land currently has no water or electricity, and the future owner will be responsible for installing these services.

This is an ideal space for those looking for tranquillity and potential for agricultural development.

For more information or to arrange a visit, please do not hesitate to contact us.
