This beautiful house built in 1820 has been carefully renovated and today it offers you an ideal family home in the village center. It offers you: An entrance with storage - Large living room of 60m2 with wood stove - Fully equipped kitchen overlooking the garden - A bedroom with access to the garden - Bathroom - Office space - Separate WC - Upstairs you will find two pretty bedrooms which share a bathroom, a separate WC and there is also a parental suite with its own bathroom . The master bedroom overlooks a veranda and a terrace of approximately 30m2 with a view over the rooftops of the village. On the ground floor you will find a workshop, a cellar and a studio (music). Outside a pretty garden with a spa, a well and at the end of the garden a stone garage. There is double glazing throughout, heat pump heating, and the house is connected to mains drainage.
