Now listed for sale in this area is this large home built on a sloping block that lends itself to some terrific views from the large outdoor balconies.

The house is constructed over four levels with the top floor starting with a very attractive parking area for three cars and a security fence that runs off the concreted road with the rare curb and guttering.

The block of land is approximately 400 square metres in total with the surrounds of the house consisting of landscaped gardens and grassed areas.

Inside there are a total of five large bedrooms with the upper levels floored with Maka hardwood floorboards. A total of five luxurious bathrooms fitted with quality fixtures and including granite benchtops.

The lovely western kitchen has been hand constructed, also from wood, and includes gas and electric cooktop with matching rangehood.

There are several living rooms, again with the upper levels leading to the surrounding views and several outdoor balconies which can be used for relaxing or even dining. Three air conditioning units have been installed in various positions throughout the house.
