وصف:

Right in the heart of the enchanting Chianti region, in the beautiful Borgo Fioraie, this 3-bedroom apartment proudly spread over two impressive floors awaits you.

The apartment was recently, in 2021, carefully renovated and refurnished with the finest furnishings, taking into account every little detail to offer its residents the highest level of comfort and aesthetics. One

of the main features of this stylish apartment is its terrace and balcony, which offer residents an unparalleled space to relax and enjoy the surrounding natural beauty. From here, a beautiful view opens

up that will enchant you every day with its unspoiled charm. It allows you to unwind and enjoy the delights of nature and the soft light of the setting sun. In addition, there is the possibility of creating a

third bedroom, giving you complete flexibility in terms of living space and its layout. This makes it possible to personalize the property as you wish to adapt it to your specific needs and preferences.

Another great advantage of this property is the included parking space. No more long searches, no more waiting and no more compromises. Here your car has its fixed and secure place. In addition, the

apartment scores with a connection to public water, while the pellet heating system with radiators provides both environmentally conscious and cozy warmth in the winter months.

This apartment is more than just a property, it is a home where you can relax and enjoy life to the full.

It's time to fulfill this dream.
