وصف:

Farmhouse to renovate on the outskirts of La Motte Servolex 5 minutes from the center. A 90 m2 apartment with kitchen, living room, bathroom, toilet, 2 bedrooms has already been created, but must be completely renovated. Large volumes are to be exploited, including two barns, a stable, and vast spaces under the framework allowing the creation of new living spaces according to your desires and needs.

The charm of the old combined with the possibilities of transformation make it a unique project.

Possibility of creating two large dwellings.

Land with swimming pool.

The whole is built on a building plot of approximately 1,200 m2, offering an unobstructed view and an exceptional living environment.

Located in a peaceful hamlet, this property benefits from a part overlooking agricultural land, guaranteeing calm and serenity.

Do not hesitate to ask me for information on this project with great potential.
