27/09/2024

We are pleased to present this stunning 3-bedroom, 2-bathroom corner townhouse, situated in the highly sought-after area of Doña Pepa, Ciudad Quesada. Set within a beautifully maintained community, this property is just a few minutes' walk from local amenities and was built in 2006. Facing east to capture the morning sun, the wraparound garden makes this townhouse perfect for larger families. The rear garden offers an ideal space for evening entertainment, and the property overlooks the community gardens and swimming pool, with off-road community parking included. A brief description of the property: The garden leads to a front porch, spacious enough for a table and chairs. Entering the home, you are welcomed into a bright, spacious living room, benefiting from ample natural light due to the corner position. Towards the rear is a separate kitchen, newly fitted with countertops, cupboards, and an oven with a hob and extractor fan, along with direct access to the garden. On the ground floor, there is a double bedroom and a guest shower room. Upstairs, you'll find the family bathroom with a corner bath, and two additional double bedrooms, both with built-in wardrobes and private balconies. The master bedroom overlooks the swimming pool. The property also features pre-installed air-conditioning. Annual costs: Suma €300 – Community fees €600. Within a 3-minute walk, you'll find a local shopping center
