Learn more about the Moinhos de Vento neighborhood:

The Moinhos de Vento neighborhood, in Porto Alegre, has its origins in the windmills brought by Azorean families who settled in the region. The name of the neighborhood is a tribute to these mills, which were used to grind grain. Over the years, the region has developed and become one of the most noble and desired neighborhoods in the city.

Today, Moinhos de Vento is known for its sophisticated atmosphere, with tree-lined streets, elegant buildings and a wide variety of high-quality shops and services.
