This is a project of 5 villas for sale in Kamisiana, in Chania, on the island of Crete. The project is located very close to Tavronitis and Kolymbari and offers beautiful views across the sea and the countryside. The plot has got the total size of 1271,65m² and the total surface of the villas is 399,83m². Three of the concrete frames have been already built and the plans include the development of 2 more.

Each villa has been arranged over 3 levels and includes an open plan living, dining and kitchen area, 2 bedrooms and 2 bathrooms. There is also a spacious basement which can be used as an extra bedroom, a study, a guest room or just storage area. A common use pool has been also designed and all 5 villas will have their own private part of the plot and the division of ownership has already been done.

The villas lie just 800 meters from the beach and just 24 kms from Chania center. All kind of amenities
