وصف:

This modern apartment in Alt-Moabit is divided into one bedroom, one kitchen with dining and living area, one bathroom and a small storeroom for cleaning utensils. The bedroom includes a comfortable double bed and provides enough room for a good night sleep. In the kitchen, you will find everything you need in order to prepare delicious meals: A fridge, a stove, a kettle, a toaster as well as cutlery. The same room is furthermore furnished with a dining table including two chairs and a sofa bed that can give two more persons a bed for the night and a TV for relaxed movie nights. The whole apartment is very bright thanks to its big windows. Even in the bathroom, there is a window, as well as a shower, a hairdryer and towels. The absolute highlight here is the 60 square meter garden that can be accessed through the living room. It is perfect to get some fresh air, sit and have dinner or breakfast or simply sunbathe during the summer months. The building itself is from the beginning of the 20th century and adds to the old building feeling thanks to the high ceilings, stucco and the wooden floor. It is located right across Tiergarten which is a real leisure time paradise for runners, cyclists or people who just like to enjoy taking a walk around. Right around the apartment are many hip small shops, cute cafés and nice bars. It is a great mixture of Berlin's offerings and there is always something new and surprising. In a short walk you can reach the Bellevue castle from here and in a 15-minute walk you are at Berlin's main train station and the Reichstag. The closest train stations for public transport are the subway station Turmstraße (U9), the train station Bellevue and the 245 Bus stops right in front of the building.
