With a generous land area of 11000m², this property offers a true oasis of peace and privacy, where there are ruins to rebuild with open views of the valley.

There are 2 water sources here, which are used exclusively for personal consumption, namely for watering the fields, although there is a source with public water, as well as electricity.

Ideal for building a rural tourism business or for a family dedicated to horses cattle, as there is plenty of space for pasture.

This property is located 5 minutes from Malhão, which is known for cycling around the Algarve, with its magnificent views, as well as the Buddhist center STUPA (Association for Peace in the World)

A short distance from here, you will find this property, in a small village of mostly foreigners who are beginning to rehabilitate the existing ruins.
