Located on the third floor of an emblematic building recognized as industrial heritage, it combines history and functionality. Hassle-free access: vehicles allowed, freight elevator, elevator, and porter service to ensure comfort and safety.

Renovated and functional spaces

Two impressive 4.20m recently refurbished windows flood the space with natural light, maximising the potential of any project. A bathroom equipped with a shower and heater adds versatility, while electrical installation and fluorescent lighting ensure a practical and ready-to-use environment from day one.

Ideal for multiple uses

Whether you're looking for space for production, storage, or a creative workshop, this venue adapts to your needs. It takes advantage of a strategic location in a building that fuses industrial aesthetics and modern efficiency.
