وصف:

Plot to build a single-family house, with two floors above the ground level and garage below the ground level.

Inserted in a subdivision, with houses already built, of Type T3, with exclusive access to the lots, where entry may be restricted only to the inhabitants.

Very noble location, as it is in a residential area, on the outskirts of the city.

The implantation area of the lot is 84 m², with a gross construction area of 218 m², with a patio of 50 m².

The sun exposure of this plot is east and has a street and west, south and north plots

Take advantage of this opportunity of this fantastic price, where you can make the financial management of the construction of your house, such as the choice of materials and other internal features that you would like to have and that will not be possible in an already built house.
