In Győrújbarát, one of the most beautiful and rightly popular neighbors of Győr, we offer an EXCLUSIVE family property for sale, built with high technical content and fully furnished!

The Mediterranean-style building is located on a plot of 2000 m², where, in addition to several outbuildings (45 m²) and a garage (35 m²), there is a large (6.5 x 15 m !!!) heated indoor pool and a garden and a barbecue terrace offer relaxation to its residents.

On 292 m², the family house offers enough living space for the everyday life of a larger family, for the coexistence of several generations or even for the operation of a family business. On the ground floor of the 164 m² building with a unique floor plan, there is an elegant reception area with a cloakroom that leads into a study. The large, elegant living room is connected to the kitchen, with a sunny dining area that connects to the terrace, where there is also a practical exit. A spacious hallway leads to the ground floor apartment. The bedroom has a wardrobe attached, the bathroom with bathtub, shower and sauna leaves nothing to be desired.

The elegance of the huge, airy staircase is undeniable. Upstairs we enter a round lounge with fantastic sunlight. From the hallway there are 2 bedrooms, 1 bathroom, a separate toilet and a wardrobe, on a total of 126 m². On the first floor, a 25 m² balcony clad in wrought iron offers a wonderful view of the beautifully landscaped garden with automatic irrigation system. In the cozy courtyard, a spacious terrace has been replaced, which can be an ideal place for summer meals, relaxation and parties.
