every detail has been meticulously curated to provide you with the ultimate coastal lifestyle experience.

Established in 1992, Jardín Persa consists of 16 buildings with a total of 84 flats and penthouses. As its name suggests, it offers an arabesque first impression, reminiscent of the gardens of the Alhambra in Granada. The complex is filled with fountains and irrigation channels that generate a continuous and soothing sound of water. The garden leads directly to Marbella's seafront promenade and is the only residential complex in the area that is completely enclosed by a fence, providing an added level of privacy.
