وصف:

Ideal for a holiday home or for people looking for a large house without having a large garden. This house to renovate offers a lot of possibilities thanks to the many rooms still unused; you will be able to give free rein to your imagination. Beautiful elements are to be preserved but most of the rooms require a good modernization. The location of the property is in a small quiet village which has a very good restaurant, close to Villefagnan where you will find all the essential shops. Rare fact: the sanitation is up to standard!!
