وصف:

Urban land with 348 m2, located in Ribeira da Janela, with a view of the sea and the mountains. One of the unique characteristics of this land is the existence of two haystacks with a deployment area of 65 m2, and construction area of 130 m2, which need to be restored, so as to be returned the charm and rusticity to the place. These haystacks, due to their unique characteristics, can be used as a creative project to be transformed into something unique and personalized.

This land has a good sun exposure and an excellent location, as it is about 5 minutes from the expressway and 10 minutes from the natural pools of Porto Moniz and Seixal.

In the vicinity where the land is inserted, it is verified that several houses are being restored, to be used as weekend residences or local accommodation, which indicates an appreciation of this place, and as a result, a good investment for you.

If you are looking for a place, with a building full of charm, overlooking the sea and the mountains, this land in Ribeira da Janela is the perfect option. A unique opportunity to create a personalized space in a natural environment.
