Beschreibung:

This beautifully presented luxurious country house has landscaped gardens with mature plants and trees. It has a stately entrance behind the electric gate with a circle driveway and lots of parking space and a big lawn with palm trees. The imposing terrace has a covered part over the whole length of the house with several sitting areas, a bar, outside kitchen, and a patio. The uncovered part of the terrace leads to the irregular shaped swimming pool with waterfall. The pool is surrounded by a statue gallery in roman style. The interior of the villa has the typical wooden finishing with wooden doors, wooden beams in the ceiling and a wooden stairway. The villa has a huge living room and dining area, a large separate kitchen with lots of working space, a second dining area, and a laundry room. Both the living room and kitchen have direct access to the covered terrace. This level also has a bedroom with an en-suite bathroom and dressing room. On the first floor, there are three large bedrooms all with en-suite bathrooms. The under build consists of a garage, an office, and several storage rooms. The views are open and it is just a 4-minute walk to the train station and a 3-minute drive to the centre of Benissa.
