Beschreibung:	

When a property has played home to the current owners for almost 4 decades, it's a testament to the absolute 'rightness' of this delightful home.

Situated on a quiet tree-lined road, the home sits proudly on an elevated plot. Once inside, its clear that the current owners have loved and cherished their home. This house, which has heard the laughter of their children and now grandchildren is now ready to be enjoyed by new owners.

Spotlessly clean, the owners have been fastidious in their attention to detail but acknowledge that some updating is required in this traditionally configured family home.

You're unlikely to find a better home with a superb garden at this price point and we're confident that interest is likely to be significant.

The Owners Love: Everything! This has been their much-loved home for many years.

We Love: This property has that 'feel-good' factor from the minute you pull up. Once inside the property

instantly makes you feel at home and we're sure you'll love it as much as we do. The garden is a real show stopper!
